Resolution ECD-2017-01 - Authorizing an Agreement with Crosslin & Associates, PLLC for the Comprehensive Annual Financial Report (Audit) for the Brentwood Emergency Communications District for Fiscal Year 2016-2017.

## **Background**

Please find attached the proposed annual audit contract with Crosslin & Associates, PLLC for Fiscal year 2016-2017 for independent auditing services for the Brentwood Emergency Communications District (ECD). The proposed contract fee for the ECD audit is \$8,300, which represents a \$200 increase from the previous fiscal year but is consistent with the third year fee as proposed in Crosslin's original five year fee proposal.

The ECD fund is legally established under Tennessee law and is subject to a separate audit from the City's primary audit. Crosslin will be required to perform additional auditing services and issue a separate set of financial statements. Since the ECD operations are fully integrated into regular City operations, improved coordination and economies of scale are gained by using the same accounting firm for regular audit and ECD audit.

Should you have any questions or need additional information, please contact the City Treasurer.

#### CONTRACT TO AUDIT ACCOUNTS

OF

#### **City of Brentwood Emergency Communications District**

#### FROM July 01, 2016 TO June 30, 2017

This agreement made this 10th day of February 2017, by and between Crosslin and Associates, 3803 Bedford Avenue, Suite 103, Nashville, TN 37215, hereinafter referred to as the "auditor" and City of Brentwood Emergency Communications District, of P. O. Box 788, 5211 Maryland Way, Brentwood, TN 37024-0788, hereinafter referred to as the "organization", as follows:

- 1. In accordance with the requirements of the laws and/or regulations of the State of Tennessee, the auditor shall perform a financial and compliance audit of the organization for the period beginning **July 01, 2016**, and ending **June 30, 2017** with the **exceptions listed below**:
- The auditor shall conduct the audit in accordance with Government Auditing Standards issued by the Comptroller General of the United States and requirements prescribed by the Comptroller of the Treasury, State of Tennessee, as detailed in the Audit Manual. Additional information and procedures necessary to comply with requirements of governments other than the State of Tennessee are permissible provided they do not conflict with or undermine the requirements previously referenced. If applicable, the audit is to be conducted in accordance with the provisions of the Single Audit Act and U.S. Office of Management and Budget (OMB) Circular A-133 for fiscal years ending prior to December 25, 2015 and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards for fiscal years ending December 25, 2015 or later. The audit is also to be conducted in accordance with any other applicable federal management circulars. It is agreed that this audit will conform to standards, procedures, and reporting requirements established by the Comptroller of the Treasury. It is further agreed that any deviation from these standards and procedures will be approved in writing by the Comptroller of the Treasury prior to the execution of the contract. The interpretation of this contract shall be governed by the above-mentioned publications and the laws of the State of Tennessee.
  - 3. The auditor shall, as part of the written audit report, submit to the organization's management and those charged with governance:
    - a) a report containing an expression of an unqualified or modified opinion on the financial statements, as prescribed by the *Audit Manual*. This report shall state the audit was performed in accordance with *Government Auditing Standards*, except when a disclaimer of opinion is issued. If the organization is a component unit or fund of another entity, it is agreed that: (a) the financial statements may be included in the financial statements of the other entity; (b) the principal auditor for the other entity may rely upon the contracted auditor's report; and (c) any additional information required by the principal auditor of the other entity will be provided in a timely manner.
    - b) a report on the internal control and on compliance with applicable laws and regulations and other matters. This report shall be issued regardless of whether the organization received any federal funding. Audit reports of entities which are subject to the provisions of the Single Audit Act and OMB Circular A-133 or the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards shall include the additional report required by that guidance. The reports will set forth findings, recommendations for improvement, concurrence or nonconcurrence of appropriate officials with the audit findings, comments on corrective action taken or planned, and comments on the disposition of prior year findings.
- 4. If a management letter or any other reports or correspondence relating to other matters involving internal controls or noncompliance are issued in connection with this audit, a copy shall be filed with the Comptroller of the Treasury by the auditor. Such management letters, reports, or correspondence shall be consistent with the findings published in the audit report (i.e., they shall disclose no reportable matters or significant deficiencies not also disclosed in the findings found in the published audit report).
- 5. The auditor shall file one (1) electronic copy of said report with the Comptroller of the Treasury, State of Tennessee. The auditor shall furnish printed copies and/or an electronic copy of the report to the organization's management and those charged with governance. It is anticipated that the auditor's report shall be filed prior to December 31, 2017, but in no case, shall be filed later than six (6) months following the period to be audited, without explanation to the Comptroller of the Treasury, State of Tennessee and the organization. Requirements for additional copies, including those to be filed with the appropriate officials of granting agencies, are listed below:
- 6. The auditor agrees to retain working papers for no less than five (5) years from the date the report is received by the Comptroller of the Treasury, State of Tennessee. In addition, the auditor agrees that all audit working papers shall, upon request, be made available in the manner requested by the Comptroller for review by the Comptroller of the Treasury or the Comptroller's representatives, agents, and legal counsel, while the audit is in progress and/or subsequent to the completion of the report. Furthermore, at the Comptroller's discretion, it is agreed that the working papers will be reviewed at the office of the auditor, the entity, or the Comptroller and that copies of the working papers can be made by the Comptroller's representatives or may be requested to be made by the firm and may be retained by the Comptroller's representatives.

- 7. Any reasonable suspicion of fraud, (regardless of materiality) or other unlawful acts including, but not limited to, theft, forgery, credit/debit card fraud, or any other act of unlawful taking, waste, or abuse of, or official misconduct, as defined in *Tennessee Code Annotated*, § 39-16-402, involving public money, property, or services shall, upon discovery, be promptly reported in writing by the auditor to the Comptroller of the Treasury, State of Tennessee, who shall under all circumstances have the authority, at the discretion of the Comptroller, to directly investigate such matters. Notwithstanding anything herein to the contrary, the Comptroller of the Treasury, State of Tennessee, acknowledges that the auditor's responsibility hereunder is to design its audit to obtain reasonable, but not absolute, assurance of detecting fraud that would have a material effect on the financial statements, as well as other illegal acts or violations of provisions of contracts or grant agreements having a direct and material effect on finanicial statement amounts. If the circumstances disclosed by the audit call for a more detailed investigation by the auditor than necessary under ordinary circumstances, the auditor shall inform the organization's management and those in charge of governance in writing of the need for such additional investigation and the additional compensation required therefor. Upon approval by the Comptroller of the Treasury, an amendment to this contract may be made by the organization's management and those charged with governance and the auditor for such additional investigation.
- 8. Group Audits. The provisions of Section 8, relate exclusively to contracts to audit components of a group under SAS 122, Section AU-C 600. (See definitions in AU-C 600, Paragraph 11.) Section 8 is only applicable to an auditor that audits a component (e.g. a fund, component unit, or other component) of a county government that is audited by the Division of Local Government Audit (LGA). Section 8 is intended to satisfy the communication requirements for the group auditor (LGA) to the component auditor under AU-C 600.
  - a) The Division of Local Government Audit (LGA) shall be considered the "group auditor" for any contract to audit a component of an applicable county government. LGA shall present the county's financial statements in compliance with U.S. Generally Accepted Accounting Principles (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB). LGA shall conduct the audit in accordance with auditing standards generally accepted in the United States of America and the auditing standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.
  - b) The contracting auditor shall be considered the "component auditor" for purposes of this section.
  - c) The financial statements audited by the component auditor should be presented in accordance with GAAP as promulgated by GASB. If the financial reporting framework for any component does not conform to this basis, the financial reporting framework should be disclosed in Section 9 (Special Provisions). (Component financial statements that are not presented using the same financial reporting framework as the county's financial statements may cause this contract to be rejected.)
  - d) The component auditor shall conduct the component audit in accordance with auditing standards generally accepted in the United States of America and the auditing standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.
  - e) The component auditor shall cooperate with LGA to accomplish the group audit. It is anticipated that LGA will make reference to the component auditor's report in the group audit report. Should LGA find it necessary to assume responsibility for the component auditor's work, the terms, if any, shall be negotiated under a separate addendum to this contract.
  - f) The component auditor shall follow the ethical requirements of *Government Auditing Standards* and affirms that the component auditor is independent to perform the audit and will remain independent throughout the course of the component audit engagement.
  - g) The component auditor affirms that the component auditor is professionally competent to perform the audit. LGA may confirm certain aspects of the component auditor's competence through the Tennessee State Board of Accountancy.
  - h) The component auditor will be contacted via email by the LGA's Audit Review Manager with the <u>estimated date</u> of the conclusion of LGA's audit of the county government. The component auditor agrees to <u>update subsequent events</u> between the date of the component auditor's report and the date of the conclusion of LGA's audit of the county government. Additional subsequent events should be communicated via email to LGA's Audit Review Manager.
  - The component auditor shall read LGA's audited financial statements for the county government for the <u>previous fiscal</u> <u>year</u> noting in particular <u>related parties</u> in the notes to the financial statements, and <u>material misstatement</u> findings in the Findings and Questioned Costs Section. ## **Subject**

Resolution ECD 2017-02 - Interlocal Agreement between Brentwood Emergency Communications District (ECD) and City of Brentwood for funding of equipment, programs and projects by the City and the ECD for the ECD's purpose.

## **Background**

As you know, the Brentwood Emergency Communications District (ECD) is a separate legal entity. The attached inter-local agreement between the City of Brentwood and the ECD provides the authority for either party to transfer funds to the other party for use in purchasing equipment, employing personnel or carrying out programs or projects that will assist the ECD in fulfilling its purpose.

The FY 2017 Capital Improvements Plan included a project to replace the 911 Center's computer aided dispatch system. To fund this project, the ECD will transfer \$750,000 in available cash reserves to the City's Capital Projects Fund. Recently, Finance Department staff was informed by the State ECD Board that an inter-local agreement is necessary before the ECD can legally transfer funds to another government entity. Once this agreement is in place, it is intended that \$750,000 will be transferred from the ECD Fund to the City's Capital Projects Fund for the purchase of the new computer-aided dispatch software. The agreement will also allow any future transfers between the two entities, provided that the transfer is in furtherance of the ECD's purposes.

## **Staff recommendation**

Staff recommends passage of the resolution authorizing the ECD Chairman to sign the interlocal agreement as submitted.
