### **Information**

#### **Subject**

Beer Law Violation Hearing - Brick's Cafe & Bistro, LLC, 330 Franklin Road, Ste 913

#### **Background**

In an operation carried out by the Tennessee Alcoholic Beverage Commission, an underage informant purchased liquor at Brick's Cafe & Bistro, LLC on August 8, 2019. Further, the employee selling the liquor had an expired server permit. The Beer Board was notified by the Tennessee Alcoholic Beverage Commission of the suspension of Brick's TABC license for such violation. Pursuant to Tennessee Code Annotated §57-1-214 and Brentwood Municipal Code §6-62, because the TABC suspended the Brick's Cafe's liquor license, the Brentwood Beer Board may consider whether to suspend the beer permit to the same extent and at least as long as the TABC suspension. In this instance, the TABC suspended Brick's Cafe's liquor license for 30 days.

A summons (copy attached) was served on the manager of Brick's Cafe & Bistro, LLC on January 22, 2020, requiring an appearance before the Beer Board on March 9, 2020 at 7:00 p.m. following the City Commission meeting. A suggested procedural format used in previous Beer Board proceedings is also attached. A questionnaire was returned by the permit holder indicating that the permit holder does wish to contest the charges, but does not contest that the sale in question took place. It also includes documentation showing measures that were in place to prevent the sale of beer to minors and subsequent measures that have been taken to prevent future occurrences.

To supplement the documentation provided to the City, representatives may also make statements to the Beer Board at the March 9 hearing. At the conclusion of the hearing, the Beer Board will then discuss and vote upon the appropriate penalty, if any, to be imposed.

Brick's has had two previous violations. The first violation occurred on February 27, 2018. The Beer Board issued a penalty of a seven-day suspension and required Brick's to post signs alerting its customers of the suspension. As an alternative, Brick's was given the option to pay a \$2,000 penalty. Brick's chose to pay the penalty. The second violation occurred on April 4, 2019. The Beer Board issued a penalty of a thirty-day suspension and required Brick's to post signs alerting its customers of the suspension.

In 2002, the Beer Board adopted guidelines for penalties to be imposed when beer permit holders violate the beer laws. Those guidelines are also attached. The guidelines are intended to provide for consistency in the way beer law violations are handled, although the Beer Board has discretion to impose penalties other than those outlined in the guidelines.

Please contact the City Attorney if you have questions about this matter.

Case No. BBB-2020-01

Pursuant to T.C.A. §57-1-214, and Brentwood Municipal Code §6-62, you are hereby summoned to appear before the Beer Board for the City of Brentwood, Tennessee on **March 9, 2020 at 7:00 p.m. following the City Commission meeting**, at Brentwood City Hall, 5211 Maryland Way, 2<sup>nd</sup> Floor Commission Chambers, Brentwood, Tennessee to then and there show cause, if any you have, why the beer permit of Brick's Café & Bistro, LLC at 330 Franklin Road, Ste 913, Brentwood, Tennessee, should not be suspended or why other disciplinary action should not be taken by said Beer Board for the following reasons, to wit:

On the 8<sup>th</sup> day of August, 2019, your employee or agent, Beverly Bowman, unlawfully sold liquor to a person under the age of twenty-one (21) years at Brick's Café & Bistro, LLC at 330 Franklin Road, Ste 913, within the corporate limits of the City of Brentwood, Tennessee, contrary to T.C.A. §57-4-203(b)(1)(a) and Brentwood Municipal Code §6-62. Further, the employee selling the liquor had an expired server permit in violation of state law. The Beer Board was notified by the Tennessee Alcoholic Beverage Commission of the suspension of Brick's Café & Bistro's TABC license for such violation. **BRENTWOOD BEER BOARD  
PENALTY GUIDELINES  
(Adopted April 22, 2002)**

The following guidelines are intended to provide standards to the Brentwood Beer Board in imposing penalties for violations of state or local beer laws and regulations in a fair, reasonable and consistent manner. These guidelines are not intended to dictate the penalty to be imposed, but rather to provide guidance to the members of the Board in their decisions. For each violation heard by the Beer Board, the Board will continue to have complete discretion to exercise any and all powers granted by state law and local ordinance. In each case, the Board may agree that a greater or lesser penalty should be imposed due to aggravating or mitigating circumstances.

In applying the penalties below, it is suggested that if no violations have occurred within the previous three years, the incident will be treated as a first violation. The “alternative” penalties set forth below would be allowed only if the Beer Board deems that the permit holder had appropriate training and/or other preventative measures in place to prevent violations of the beer laws, and that appropriate steps will be taken to prevent future violations. As a condition of the alternative penalty, the Beer Board may require the permit holder to submit documentation regarding training programs in place. It is suggested that the penalty period begin one week following the Beer Board’s decision, in order to provide time for the permit holder to comply with the conditions of the alternative penalty.

	<u><b>Penalty</b></u>	<u><b>Alternative</b></u>
<b>First violation</b>	<i>30 day suspension</i>	<i>One week suspension/post signs*</i>
<b>Second violation</b>	<i>45 day suspension</i>	<i>Two week suspension/post signs*</i>
<b>Third violation</b>	<i>60 day suspension</i>	<i>No alternative</i>
<b>Fourth violation</b>	<i>Revocation**</i>	<i>No alternative</i>

*\* See attached wording and specifications for sign to be posted at each entrance and on each beer cooler door.*

*\*\* In order to impose revocation, there must be at least two violations within a 12-month period.*

*Note: At the time of adoption of these guidelines, Tennessee law also provided that the Beer Board may offer a permit holder the alternative of paying a monetary penalty of up to \$1,500 for the sale of beer to a minor, or up to \$1,000 for other violations. The maximum penalty for the sale of beer to a minor was subsequently increased to \$2,500. However, the Tennessee General Assembly also created a “Responsible Vendor” program for off-premises beer permit holders. The permit of an off-premises permit holder who complies with this program may not be suspended or revoked. However, a monetary penalty not to exceed \$1,000 may be imposed on a “Responsible Vendor” for the sale of beer to a minor or any other offense.*

NO BEER SALES

BEER WAS SOLD TO A MINOR  
AT THIS LOCATION.  
PERMIT SUSPENDED.

By order of the  
City of Brentwood Beer Board.
